Treeline, Inc. Doubles in Size in 2006

Treeline continues to show consistent growth year after year.

Wakefield, Massachusetts: January 1, 2007: Treeline, Inc. continued its fast growth in 2006, doubling in both staff size and revenues. This growth led to firm's relocation to a larger suite of offices last spring. Managing Partner Dan Fantasia predicts strong, continued growth for 2007, with the addition of both new services and the planned expansion into new markets.
