Treeline's June 8 Open House a Great Success

Treeline rapid growth requires firm to quadruple space.

Wakefield, Massachusetts: June 9, 2006: Treeline's June 8 reception to celebrate the opening of the firm's new office location was a great success. The firm relocated to a larger suite of offices on May 1, as a result of the organization's fast-paced and continuing growth.

Treeline's new office, also located at Lakeside Office Park in Wakefield, is quadruple the size of its previous space. The new headquarters offers additional resources and is flexible enough to accommodate the firm's continuing growth.

The milestone gathering also afforded staffers and guests another opportunity to celebrate the firm's fifth anniversary, which took place in March. Managing Partner Dan Fantasia toasted his employees, thanking them for their roles in Treeline's success.
