TREELINE, INC. PARTNERS WITH DCF KIDS FUND FOR THIRD YEAR

WAKEFIELD, MA – December 17, 2014 – Treeline, Inc. partners with DCF Kids Fund to help provide gifts for over 40,000 children this holiday season.

Every year, Treeline looks for ways to give back to the community, by partaking in great causes. For the third year, Treeline has worked with the DCF Kids Fund which is part of the Massachusetts Department of Children and Families. This organization is comprised of dedicated social workers who try hard to make sure thousands of children and young people have gifts to open during the holidays.

The goal of the DCF gift drive is to provide gifts for over 40,000 children. These children and families are in need. The gifts provided include toys and games, sports equipment, music and art items plus clothing and other necessities. Organizations small and large can shop for specific children and families or elect to contribute gifts without a specific match.

“We love being able to partner with a great organization like the DCF Kids Fund,” stated Dan Fantasia, CEO of Treeline. “We love their mission and enjoy the chance to be part of a great cause. It’s a time to reflect on good fortunes and be able to give back. It’s truly a great way to get involved and see the long lasting impact that DCF Kids Fund has on people’s lives.”
