### **TREELINE, INC. CELEBRATES NEW OFFICE SPACE**

**WAKEFIELD, MA** – October 3, 2014 – Treeline, Inc. celebrates its new office space with family, friends and the community.

On October 2, 2014 Treeline celebrated the opening of the new office space. It was a night of celebrating with family, friends, business partners and the community. This Open House event allowed Treeline to share its success and show gratitude to everyone who has supported the company for over a decade. Treeline's move is due to the company's rapid growth. It is a time to reflect, celebrate and look forward to what's next for this growing company.

A special thanks to the [Mansard Commercial Real Estate Advisors](#), and the [IRONWOOD](#) design and construction firm who helped create the brand new space. Treeline's newly renovated space emulates exactly what the company is all about. The newly built office space matches Treeline's high energy, dynamic edge, and mission to be the largest sales recruiting company in the nation.

"The Open House was a great success," stated Dan Fantasia, CEO of Treeline. "It was an incredible time to be able to celebrate with everyone and have so many people join. This is a very exciting time for Treeline and we appreciate everyone's support over so many years. Having a new office space allows us to continue to build out the company and grow the team. We are looking forward to many more exciting milestones."
